

EARFORCE®
PX5 QUICK PLAY SETUP

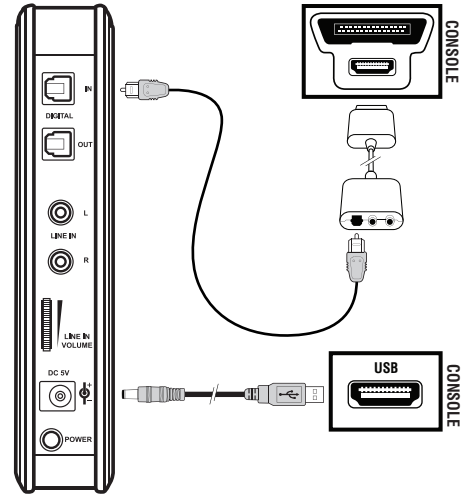

1 Connect Power and Audio

PS3™, PS3 (slim), XBOX 360® (slim)

PS3 CONSOLE SETTINGS:

Select "Settings" > "Sound Settings" > "Audio Output Settings" > "Optical Digital" > "Dolby Digital 5.1"

XBOX 360® (original)

2 PS3 Bluetooth® Chat Pairing (PS3 only)

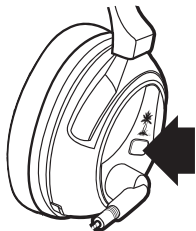

PS3 CONSOLE SETTINGS:

A) Select "Settings" > "Accessory Settings" > "Manage Bluetooth Devices" > enter 0000 as the PIN

B) Select "Settings" > "Accessory Settings" > "Audio Device Settings" > set the Input and Output to PX5

3 Headset and Transmitter Pairing (optional)

Headset and transmitter come pre-paired. Only complete this pairing process if you cannot hear game audio after setup.

A) Press and hold "power" button on headset until LED turns solid. Release when LED turns off. LED will begin to flash rapidly.

B) Press and hold the "bypass" button on the transmitter. Release when top most LED turns off. Transmitter LED will then flash rapidly.

4 Connect XBOX LIVE® Talkback Cable (XBOX only)

SEE ENCLOSED USER'S GUIDE FOR FURTHER INSTRUCTIONS.
