\*Always make sure that the headset icon on your In-Line is pointed toward your Star Wars headset. This is important for optimal performance.  
\*Assurez-vous toujours que l'icône de casque sur les commandes intégrées soit orientée vers votre casque Star Wars afin d'obtenir des performances optimales.

**Upgrade your Mobile experience**  
Améliorez votre expérience mobile:

To make calls without the boom mic, upgrade to the Mobile Cable with In-Line Mic available at [TurtleBeach.com/shop](http://TurtleBeach.com/shop). In addition to the in-line mic, this cable also includes a multi-function button to answer calls and to play/pause/advance music tracks.

Pour passer des appels téléphoniques sans le microphone amovible, passez au câble pour appareils mobiles doté d'un micro intégré disponible sur [TurtleBeach.com/shop](http://TurtleBeach.com/shop). Ce câble comprend également un bouton multifonction pour répondre aux appels et pour parcourir, lire et mettre en pause vos morceaux de musique.

Regulatory Compliance Statements for the EAR FORCE Star Wars  
Federal Communications Commission (FCC) Compliance Notices  
Class B Interference Statement  
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15, Subpart B of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:  
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Canadian ICES Statements  
Canadian Department of Communications Radio Interference Regulations  
This digital apparatus does not exceed the Class B limits for radio-noise emissions from a digital apparatus as set out in the Radio Interference Regulations of the Canadian Department of Communications. This Class B digital apparatus complies with Canadian ICES-003.

Règlement sur le brouillage radioélectrique du ministère des Communications  
Cet appareil numérique respecte les limites de bruits radioélectriques visant les appareils numériques de classe B prescrites dans le Règlement sur le brouillage radioélectrique du ministère des Communications du Canada. Cet appareil numérique de la Classe B est conforme à la norme NMB-003 du Canada.
